

English

Throughout this term, we will be exploring different genres of writing through studying extracts from 'The Diary of Anne Frank' and Christophe Gallaz's 'Rose Blanche'. The children will be encouraged to develop their use of powerful language in their writing and applying the grammar skills from their Literacy skills lessons within their written work. They will be writing:

- Biographies
- Instructions
- Descriptive narratives
- Poetry

Art & D/T

Textiles - Waistcoats
children design, Using a combination of textiles skills such as attaching fastenings, appliqué and decorative stitches, assemble and decorate a waistcoat for a chosen purpose.

ICT

E- Safety/ coding

- Scratch Programming in which they design code with variables.
- Recognise and make use of patterns
- Use a range of sequences

History/Geography

The children will be learning about WW2 understanding the key people and events. They will explore life both on the Home Front and abroad. They will also use primary evidence to research how Ashford was affected during bombing raids.

Music

The children will be exploring motivational war songs and look to create their own.

School Value Aspiration

This will be taught through weekly circle time sessions, classroom displays and our classroom and school ethos.

Great Chart Primary School

Year 6 Term 2 Curriculum

PHSE/SRE

The children will learn about 'How can we keep healthy as we grow?'

We will talk about:

- Looking after ourselves
- Growing up
- Becoming independent
- Taking more responsibility

Maths

Throughout his term we will be focusing on Fractions

- Addition and subtraction
- Mixed Numbers
- Multiplying fractions by integers and fractions
- Dividing fractions by integers
- Fractions of amount

Position and Direction

- Translation, reflections in the 4 quadrants

Science

We will be continuing our exploration of Evolution and Inheritance. The children will recognise how living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.

They will recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents. Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

P.E

Indoor PE

- Dance

Outdoor PE

Futsal

- passing and receiving,
- stop and strike ball
- ball control

RE

Christianity

How significant is it that Mary is Jesus' mother?

Do sacred texts have to be 'true' to help people to understand their religion?
