

In English we will be focusing on using correct sentence punctuation, adding joining words, using interesting adjectives in our writing and introducing imperative verbs.

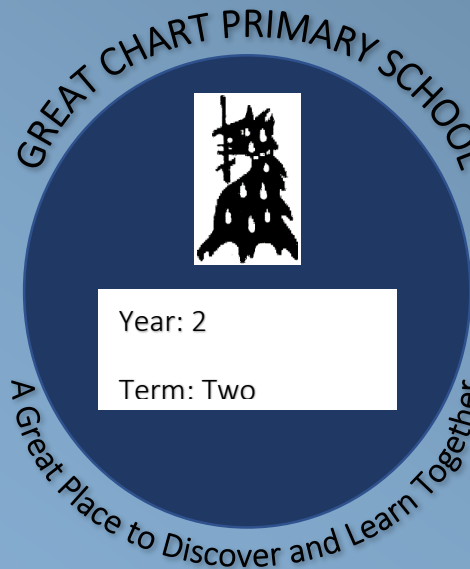

- Speaking and listening task.
- Tooth fairy story
- Instruction writing- Rascally cake
- Who is Florence?
- Mog's Christmas story.

School Value
Aspiration – trying our best and aiming high.

In Maths we will be focusing on place value, using tens and ones equipment. We will be working with numbers up to and beyond 100 and applying this in addition, subtraction, multiplication and division.

- Subtraction
- Inverse operations
- Money
- Multiplication
- Division
- Number

Our Topic for this term will be titled 'Who was Florence?'. We will be looking at the life of Florence Nightingale and the work she did improving hospitals and healthcare.

Home Learning

Home learning activities will include daily reading, Maths and occasional topic related activities.

Computing

We will be using the i-pads to take photos and then edit them on a different device.

We will also be improving our typing skills using the chromebooks

Science

Healthy Humans will be our topic in Science. We will look at keeping healthy and eating a balanced diet.

We will also look at the effects of germs on our hands.

P.E

We will be learning new skills during tennis and handball lessons and improving our co-ordination and balance through dance.

Art and D/T

We will be using a range of media to create Christmas art work.

We will also be using different equipment during our cooking lessons.

R.E

We will be exploring Christianity and learning respect for other cultures.
