

In English we will be focusing on using correct sentence punctuation, adding joining words and using interesting adjectives in our writing.

- Writing holiday postcards (Respect for other cultures)
- Dogger (Respect for others and belongings)
- Harvest Poems (Respect for farmers)
- Leaflet (respect for environment)
- Crayons
- The Bridge

Our topic this term will be 'Myself in Colour'. We will be exploring our local environment and comparing this with an alternative environment through the stories of Katie Morag.

School Value

Respect for other cultures, ourselves and our environment.

In Maths we will be focusing on place value, using tens and ones equipment. We will be working with numbers up to and beyond 100 and applying this in addition, subtraction, multiplication and division.

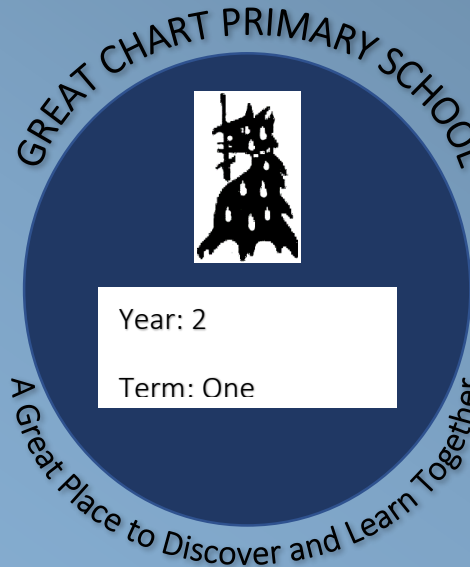

- Number – Place Value
- Number – Addition and subtraction
- Multiplication and Division

Home Learning

Home learning books will be sent home during the first week, to be covered or decorated. Home learning activities will include daily reading, Maths and occasional topic related activities.

Computing

Using i-pads to take photos and chrome books for research.

PSHE /SMSC

We will be getting to know Year 2, building positive relationships and problem solving within our friendship groups.

Science

Living things will be our topic in Science. We will look at the differences between living and non-living things and how we show respect to all things. We will also be looking at keeping healthy and respecting our bodies

P.E

We will be focusing on developing our stamina through indoor and outdoor PE and a visit to the Julie Rose Stadium.

Art and D/T

We will be learning about the artist Georges Seurat and we will be painting in the style of this artist. We will also be challenging ourselves when we attempt to sew a Joseph's Coat.

R.E

We will be exploring Judaism and learning respect for other cultures.
