Autumn term 1  
Week 21.09.20

<p>We have been making new friendships and learning our friends' names. We are improving and everyday we have learnt new names, and our new routine. There has been so much to remember but our teachers think we are amazing.</p>	<p>We have started to think about our new community at school. Our school value this term is:</p> <p>Respect</p> <p><b>How can we show respect in the classroom?</b></p>	<p>We have been learning about keeping our hands clean and how we wash them properly.</p> <p>We have been using a variety of equipment to balance and move on. We have used the small stepping stones and scooters. We have also used the s. racquets and tennis balls.</p>	<p>We drew self portraits using different mediums. We looked carefully at our facial features and celebrated that everyone is different. Our pictures have been put up on our first display in our classroom. It looks great!</p>
