

### English

#### Stories from different countries and cultures

This term, we will be using stories from different countries and cultures. We will compare stories with the same themes, but from different cultures, analysing the similarities and differences. The children will then have the opportunity to write their own stories in the style of the stories they have been looking at in class.

#### Skills

Descriptive adjectives, verbs and adverbs.

Conjunctions and time conjunctions.

Punctuation – focusing on capital letters and full stops.

### School Value

#### Responsibility

We will take responsibility for our actions, our environment and the community we live in.

### Maths

In Maths this term, we will use multiplication and division using formal methods. When looking at division we will also begin to divide with remainders. We will also compare statements. We will also look at scaling, making things bigger and/or smaller using multiplication and division.

We will continue looking at money, length and Perimeter - add, subtract and compare.

Weekly times tables test and regular practice on TT Rockstars.

## Great Chart Primary School

## Year 3 Term 3 Curriculum

### Geography

#### Our World. Our Environment

For Geography this term we will be learning about the four countries in the UK and their capital cities.

We will also look at our position in the world as well as the location of the seven continents and five oceans. We will use maps of the UK and the world to support our learning.

### Art

In Art this term, we will create sculptures of characters from stories and tell stories using these characters. We will look at different illustrators and artists linked to the topic.

### Music

Creating compositions in response to an animation.  
Theme - Mountains

### Science

#### Light

Understanding light and the absence of light.  
How shadows are formed.

Explaining the terms transparent, translucent and opaque and how this can affect how light travels.

### R.E

#### Sikhism

Key Question  
How important is sharing to Sikhs?

### PSHE/RSE

#### Health and Wellbeing

How do we keep ourselves healthy?

### P.E

3 Griffin will be swimming this term on a Tuesday afternoon.

#### Indoor PE

Dance

#### Outdoor PE

Handball

### Computing

In Computing this term, the children will be using the computer programme Scratch to create interactive stories and games.
