### Big Schools' Birdwatch

We are joining thousands of other schools to find out which birds visit our school grounds and our gardens.

We are asking your child to have fun over the next coming half term, either creating a project about a bird, making a bird home, drawing or painting birds, doing a bird watch, taking photos of birds in and around your area. Once completed, your child can hand in their work at the school the first week after half term. **There are prizes to be won! Happy bird watching!**

Our suave (sophisticated) word of the week is: **distress**

Does your child understand the meaning of this word? Can they use this word in a sentence? Can they spell the suave word? How many times can they use the word throughout the week in their speech or writing?

Parents will need to simply register for alerts.

### 13th February - Deadline for Photo of your house

As part of our Understanding the World learning, we are exploring how to draw information from a simple map. The children are working towards the following learning objectives:

I know where I live

I know where I go to school

I know some simple features of a map

To support this learning, we kindly ask that you send in a photo of your house. This will help the children make personal connections as we talk about places that are important to them and begin to understand simple map features. Please send the photo via email by 13th February 2026.

#### ADVANCE NOTICE - Roman Costumes

As some of you may know, in Year 3 we investigate life in Roman times. As part of this we have two days in which we ask the children to dress up in a Roman costume. One of these days is for our school trip to the Museum of Kent Life in April, where the children will be taking part in Roman workshops which they are asked to dress up for. The other occasion will be in term 6, where we will be holding our own Roman day in school. We hope that by wearing the costumes twice, it will be better value for money. Thank you very much.
