

English

Throughout this term, we will be exploring different genres of writing through our continued work on Letters From The Lighthouse and by studying extracts from 'The Diary of Anne Frank'. The children will be encouraged to develop their use of powerful language in their writing and applying the grammar skills. They will be writing:

- Biographies
- Diaries
- Poetry
- Speaking and listening project

Art & D/T

Textiles - Waistcoats
children design, Using a combination of textiles skills such as attaching fastenings, appliqué and decorative stitches, assemble and decorate a waistcoat for a chosen purpose.

ICT

Computing Systems and Network:
Bletchley Park and the history of computers

- Exploring code breaking
- Historical figures in computing
- The evolution of computers

History/Geography

The children will be learning about WW2 understanding the key people and events. They will explore life both on the Home Front and abroad. They will also use primary evidence to research how Ashford was affected during bombing raids.

Music

The children will be exploring motivational war songs and look to create their own.

School Value

Ambition

This will be taught through weekly circle time sessions, classroom displays and our classroom and school ethos.

Great Chart Primary School

Year 6 Term 2 Curriculum

PHSE/SRE

The children will learn about 'How can we keep healthy as we grow?'

We will talk about:

- Looking after ourselves
- Growing up
- Becoming independent
- Taking more responsibility

Maths

Throughout this term we will be focusing on Fractions

- Addition and subtraction
- Mixed Numbers
- Multiplying fractions by integers and fractions
- Dividing fractions by integers
- Fractions of amount

Position and Direction

- Translation, reflections in the 4 quadrants

Science

We will be continuing our exploration of Evolution and Inheritance. The children will recognise how living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.

They will recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents. Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution.

P.E

Indoor PE

- Dance

Outdoor PE

- Padel tennis

RE

Christianity

How significant is it that Mary is Jesus' mother?

Do sacred texts have to be 'true' to help people to understand their religion?
