

## English

Throughout this term, we will be exploring different genres of writing through studying Shakespeare's 'Romeo and Juliet'. The children will be encouraged to develop their use of imagery in their writing and applying the grammatical skills from their literacy skills lessons within their written work. They will be writing:

- Persuasive letters
- Agony Aunt letters
- Recounts of parts of the story from different characters' perspectives

## School Value Resilience

To understand what resilience is and how to keep trying even when it becomes difficult and never give up.

## Maths

Throughout this term we will be focusing on

- Fractions, decimals and percentages
- Area, perimeter and volume
- Statistics
- SATS revision

## Great Chart Primary School

## D&T

Children will design and create their own 'steady hand game' incorporating a circuit with a working buzzer.

## Geography

The children will be researching South America including:

- All the countries within the continent and improving map reading skills
- Learning about trade
- Researching mountains, deserts and rainforests including issues around deforestation

## Music

The children will be exploring salsa, samba and carnival sounds while learning to create their own piece of music.

## French

### In My French House.

Describing a house, its rooms and the people who live there. Use prepositions to write a letter about their home.
