

English

We will be learning to write simple sentences using full stops and capital letters. We will introduce adjectives. We will use talk for writing and Language Through Colour to help us write independently. We will develop our cursive handwriting. We will teach daily phonics lessons to teach Phase 3 phonics onwards. We will:

- Write letters to the man on the moon.
- Look at non-fiction books.
- Write emails
- Describe a space setting and an alien.
- Enjoy Aliens Love Underpants and Alien School
- Use adjectives to write a firework poem.
- Setting targets to improve reading and writing skills.

School Value

Aspiration –
Be the best you can be
High expectations

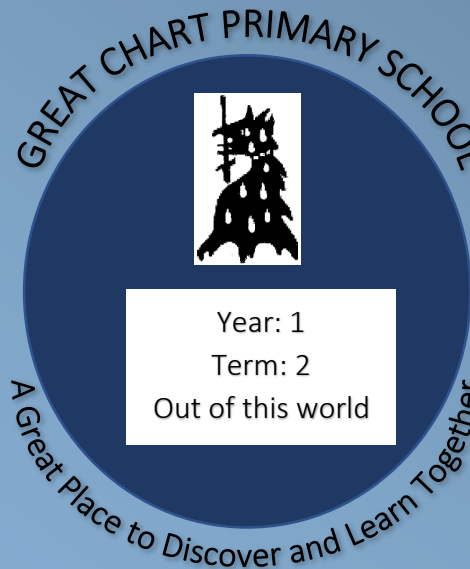

Maths

We will be learning about place value within 20, using addition and subtraction. We will learn about the common 2D and 3D shapes in our environment. We will:

- Make it, Draw it, Write it.
- Use the bar model method to solve problems.
- Solve word problems about aliens using addition and subtraction.
- Making rockets with 2D and 3D shapes.
- Order the days of the week and the months of the year.
- Setting targets to improve mathematical thinking.
- We will continue to practise rapid recall of number bonds.

Topic

We will make a mind map of what we already know and what we want to learn. We will learn about the history of space exploration from a special visitor, ordering the planets and how the solar system works. We will spend a day in alien school.

Year: 1
Term: 2
Out of this world

Home Learning

Home learning books will be sent home weekly. Home learning activities will include daily reading, phonics, English or Maths, set on a Friday. You may also record activities linked to the curriculum guarantee.

PSHE /SMSC

Explore different feelings with Zippy's friends. Share experiences of dealing with feelings. Listen and respond to each other.

Science

We will be looking at seasonal change in our local area. Planting bulbs and learning about growing.

Naming the planets and ordering them. Finding facts about space.

P.E

We will be developing agility, balance and co-ordination, enhancing our listening skills and working with others.

Beginning to sequence movements and repeat them. Setting a personal best.

Art and D/T

We will design and make rockets.

Explore pattern with firework pictures.

Use wax resist to create a space scene.

Design an alien using different media.

R.E

What gifts can we give to others?

The Christmas story.
