

## English

Throughout this term, we will be exploring different genres of writing through studying Macbeth. The children will be encouraged to develop their use of imagery in their writing and applying the grammar skills from their Literacy skills lessons within their written work. They will be writing:

- Poetry based on the setting of Macbeth
- A recount of Macbeth's coronation banquet
- A persuasive argument
- Gothic short story

## Topic

The children will be researching independently for a project on South America.

Physical and human characteristics, major cities and culture.

## PSHE /SMSC

The children will explore 'Responsibility' and 'Resilience' in today's society.

## Science

The children will be learning about Electricity.

They will also be learning about the heart and staying healthy.

## School Values

### Responsibility and Resilience

GREAT CHART PRIMARY SCHOOL

Year: 6

Terms: 3 & 4

A Great Place to Discover and Learn Together

## Maths

Our main foci in maths will be applying the skills of place value and the four operations to other areas of Mathematics including measures, area and perimeter, shape, fractions and algebra. Many of this will involve solving problems and multi-step word problems.

## Home Learning

Home

Learning activities will include:

- Guided Reading – pre-reading parts of a novel
- MyMaths
- English skills
- Weekly spellings

## P.E

The children will be participating in weekly football lessons with EASE coaches.

Children will build fitness through cardio activities.

## Art and D/T

Inspired by rebels/journeys, children will be looking at the work of land artists and creating land art for entry into the Turner contemporary competition.

## R.E

We will be considering aspects of Islam and Christianity
